

THE GLOBAL BIG LATCH ON

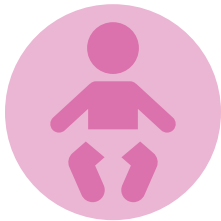

Friday, August 2, 2019

Please join us for the Global Big Latch On event in collaboration with Lake County Breastfeeding Taskforce. Women will gather to breastfeed and offer peer support to each other. Friends, family and community join together to promote and support breastfeeding during World Breastfeeding Awareness Week. Please join us for this fun event that includes refreshments and giveaways.

FRIDAY, AUGUST 2, 2019 | 10:00 AM TO 11:00 AM | 10:30 LATCH
ADVENTHEALTH WATERMAN | CENTER FOR WOMEN AND CHILDREN
1000 Waterman Way | Tavares, Florida 32778

Benefits of Breastfeeding

Breastfeeding protects infants from common childhood illnesses, such as, ear infections, diarrhea and allergies.

Breastfeeding babies have a lower chance for sudden infant death syndrome (SIDS).

Breastfeeding can reduce the risk of type II Diabetes, ovarian and breast cancer, and postpartum depression for the mother.

RSVP by calling 352-253-3479 or emailing
